

ANNUAL REPORT 2023-2024

OF

R S MEMORIAL CANCER SOCIETY (RSMCS)

About the Society

R S Memorial Cancer Society abbreviated as RSMCS was founded in memory of **Late Shri Ram Shankar Singh**, hailing from village Dhanhara, District Aurangabad, Bihar. Shri Ram Shankar Singh envisioned the establishment of a Comprehensive Cancer Hospital named SAVERA. The foundation stone of Savera Cancer and Multispeciality Hospital was laid in his esteemed presence on 21.01.2016 by the then Governor of Bihar, Hon'ble Shri Ramnath Kovind.

Primarily known for his business and construction endeavors, Shri Ram Shankar Singh was deeply moved by the plight of cancer patients, inspiring his son Dr. Vijay Pratap Singh to realize his aspirations. Despite his untimely departure, SAVERA perseveres against all odds. Currently, his wife Mrs. Asha Devi leads the Society as President, supported by other key members.

Inauguration of R S Memorial Cancer Society by the Hon'ble President of the Society Shrimati Asha Singh in presence of distinguished members.

Mission and Vision of the Society

Our Mission

Our mission is to improve the lives of individuals affected by cancer through comprehensive support, education, advocacy, and research. This entails providing emotional and practical assistance to patients and their families, promoting cancer prevention and early detection through educational initiatives, advocating for policies that enhance cancer care and access to treatment, and funding research to advance understanding and treatment of cancer.

The overarching goal is to reduce the burden of cancer, enhance quality of life for survivors, and strive towards a future where cancer is preventable, treatable, and ultimately cured.

Our Vision

Our vision is to create a world where cancer is eradicated through prevention, early detection, effective treatment, and compassionate care for all individuals affected by the disease. It envisions a society where every person has access to quality cancer education, support services, and equitable healthcare, regardless of their background or circumstances.

The society aims to foster a community where the stigma associated with cancer is eliminated, and where research and innovation continually advance the understanding and treatment of cancer, leading to improved outcomes and ultimately a cure. Through collaboration with healthcare providers, researchers, policymakers, and the community at large, we strive to empower individuals, reduce cancer incidence and mortality rates, and enhance the overall well-being of those impacted by cancer.

This cancer screening camp was organized to identify the prevalence of Oral, Breast and Cervical Cancer cases especially in underprivileged section of the society. This initiative was conceptualized by the Treasurer of the Society, Dr. V.P. Singh. This is an ongoing philanthropic movement. Glimpses of the camps are attached below.

Event 2: Cancer Screening Camp

R S Memorial Cancer Society, in collaboration with Savera Cancer Hospital, organized a cancer screening camp at Naubatpur, Piplawan, Devra Panchayat, Thakurbari, District-Patna. This initiative aimed to provide essential cancer screenings and raise awareness about early detection and prevention of cancer in the local community. The event saw participation from numerous residents who were screened by medical professionals for various types of cancer. Through this camp, the organizers emphasized the importance of regular health check-ups and educated the public on recognizing early symptoms. The collaboration between these organizations underscores their commitment to improving healthcare accessibility and supporting cancer prevention efforts in rural areas. The camp not only facilitated timely medical intervention but also fostered a sense of community and collective responsibility towards health and well-being.

Event 3: Cancer Screening Camps

A Cancer Screening Camp was organized by Rotary Patna Mid Town & R S Memorial Cancer Society on August 9, 2024, at Machuatoli, Arya Kumar Road, Anup Lane, Patna. Supported by Savera Cancer Hospital, the camp provided free screenings for various cancers, including oral, breast, and cervical cancers. Experienced oncologists and healthcare professionals conducted the screenings, offering early detection and guidance on preventive measures. The event witnessed a strong turnout from the local community, with over 300 individuals benefiting from the services. This initiative underscored the importance of early detection in the fight against cancer.

Event 4: Cancer Screening Camp

On August 10, 2024, R S Memorial Cancer Society organized a comprehensive cancer screening camp at SBI Colony-2/26, Pillar No.-7, Jagdeopath, Patna, in collaboration with Savera Cancer Hospital. The event aimed to provide early detection services, focusing on breast, cervical, and oral cancers. Medical experts from Savera Cancer Hospital conducted thorough screenings and offered consultations, raising awareness about cancer prevention and the importance of regular check-ups. The camp served as a vital initiative, offering free screenings to the local community and promoting a proactive approach to health.

Event 5: Cancer Screening Camps

R S Memorial Cancer Society organized a significant cancer screening camp on August 1, 2024, at Sabajpura, Ward Parishad Karyalay, Khagaul, Phulwari Sharif, Patna. This initiative aimed to provide early detection services to the local community, emphasizing the importance of regular screenings in combating cancer. The camp offered free screenings for various types of cancer, including breast, cervical, and oral cancers, with a dedicated team of oncologists, healthcare professionals, and volunteers on hand. The event saw a large turnout, with many individuals benefiting from the expert consultations, awareness sessions, and preventive care advice provided. Rotary Patna Mid Town and R S Memorial Cancer Society's efforts were widely appreciated, as they worked tirelessly to ensure the health and well-being of the community.

Event 6: Distribution of Hygiene Kits to visually challenged school girls

Distribution of Hygiene Kits among visually challenged girls. An initiative at Antar Jyoti Blind Girls School at Patna by R S Memorial Cancer Society in coordination with Rotary Patna Mid Town (3250). The event, held on Independence Day, symbolized the clubs commitment to empowering marginalized communities. Each hygiene kit contained essential items such as sanitary pads, soaps, hand sanitizers, and towels, aimed at promoting personal cleanliness and health. The distribution was accompanied by an informative session on hygiene practices, ensuring that the students understood the importance of maintaining good health.

Event 7: Talk on cancer awareness at BNR College, Patna.

R S Memorial Cancer Society organized an impactful talk on Cancer Awareness at BNR Training College, Gulzar Bagh. The session was led by Dr. V. P. Singh, the esteemed President of Rotary Patna Midtown and a Senior Surgical Oncologist. Dr. Singh shared invaluable insights on cancer prevention, early detection, and treatment, emphasizing the importance of regular screenings and healthy lifestyle choices. The event aimed to educate students and faculty about the risks of cancer and the latest advancements in oncology. The engaging discussion highlighted RSMCS commitment to promoting health awareness and empowering the community to fight against cancer.

Event 8: Inauguration of Tobacco Cessation Clinic at SCMH Patna.

R S Memorial Cancer Society proudly inaugurated the Rotary-RS Tobacco Cessation Clinic at Savera Cancer Hospital in Patna. This initiative aims to provide comprehensive support and resources to individuals striving to quit tobacco use. The clinic will offer personalized counseling, medical assistance, and educational programs to help patients overcome their tobacco addiction. By leveraging the expertise of healthcare professionals and the communities' dedication, the clinic aspires to create a healthier, tobacco-free future for the residents of Patna. This collaborative effort highlights the commitment of Rotary Patna Midtown and R S Memorial Cancer Society to public health and well-being. The inauguration marks a significant step towards reducing the burden of tobacco-related diseases and promoting a healthier lifestyle within the community.

Chief Guest was Hon'ble Dr. Rana Jugdeep Singh (Director, Vital Strategies, New Delhi) in presence of other Distinguished Members including Dr. V.P. Singh (Senior Surgical Oncologist and Managing Director of SCMH Patna).

Event 9: CME session on tobacco cessation.

R S Memorial Cancer Society is organizing a CME event focused on establishing a Tobacco Cessation Clinic. The event will be held at Savera Cancer Hospital, Patna, and aims to address the pressing issue of tobacco addiction and its impact on public health. This CME will feature expert speakers and healthcare professionals who will share their insights and strategies on effective tobacco cessation methods. Attendees will have the opportunity to learn about the latest research, clinical practices, and support systems essential for helping patients quit tobacco use. The initiative underscores the commitment of RPMT and the R S Memorial Cancer Society to combat the pervasive issue of tobacco addiction, promoting healthier lifestyles, and reducing the burden of cancer and other tobacco-related diseases in the community. Join us in this vital effort to improve public health and support those on their journey to a tobacco-free life.

Event 10: Blood Donation Camp

R S Memorial Cancer Society organized a successful Blood Donation Camp on 01-07-2024 at Savera Cancer Hospital, Patna, Bihar. Over 50 donors, including many first-timers, participated enthusiastically. The event started at 9 AM with a brief inauguration. Rotary Club members, volunteers, and medical staff from Rotary Anup Blood Bank ensured a smooth process. Donors underwent quick health check-ups before donating to ensure safety. Refreshments and certificates of appreciation were provided. The camp collected 50 units of blood, which will save lives and help those in need. Rotary Patna Midtown and R S Memorial Cancer Society thank all donors and volunteers for their invaluable support.

Event 11: Training on CPR

Dr. Samiullah led an informative workshop on performing CPR at Arvind Mahila College on 30th August 2024. The session provided hands-on training in life-saving techniques, including chest compressions and rescue breaths. Students and faculty engaged actively, learning crucial skills to respond effectively during cardiac emergencies. Dr. Samiullah emphasized the importance of timely intervention and demonstrated the correct procedures with clarity. The workshop empowered participants to confidently handle critical situations, potentially saving lives in their communities.

Event 12:

Dr. V.P. Singh, Treasurer of RSMCS, spearheaded a vital initiative to provide cervical cancer vaccines to the students of Arvind Mahila College. The launch event highlighted Rotary's commitment to women health, offering these life-saving vaccines at a 50% discount. Dr. Singh emphasized the importance of early prevention in combating cervical cancer, aiming to protect the young women of the college from this devastating disease. The initiative reflects Rotary's broader mission to serve the community, ensuring that healthcare is accessible and affordable for all, especially for those in need.

Event 13: Talk on Pregnancy with Cancer

R S Memorial Cancer Society hosted an informative talk on "Pregnancy with Cancer" by Dr. Erum Sajid at Savera Cancer Hospital. Dr. Sajid, an expert in the field, discussed the challenges and treatment options for managing cancer during pregnancy. She emphasized the importance of early diagnosis, personalized care, and a multidisciplinary approach to ensure the health of both mother and child. The talk provided valuable insights into the emotional and physical aspects of this condition, highlighting the need for a strong support system. The event reinforced Rotary Patna Midtowns dedication to spreading awareness on critical health issues.
