About the Society

R S Memorial Cancer Society abbreviated as RSMCS was founded in memory of **Late Shri Ram Shankar Singh**, hailing from village Dhanhara, District Aurangabad, Bihar. Shri Ram Shankar Singh envisioned the establishment of a Comprehensive Cancer Hospital named SAVERA. The foundation stone of Savera Cancer and Multispeciality Hospital was laid in his esteemed presence on 21.01.2016 by the then Governor of Bihar, Hon'ble Shri Ramnath Kovind.

Primarily known for his business and construction endeavors, Shri Ram Shankar Singh was deeply moved by the plight of cancer patients, inspiring his son Dr. Vijay Pratap Singh to realize his aspirations. Despite his untimely departure, SAVERA perseveres against all odds. Currently, his wife Mrs. Asha Devi leads the Society as President, supported by other key members.

Inauguration of R S Memorial Cancer Society by the Hon'ble President of the Society Shrimati Asha Singh in presence of distinguished members.

Mission and Vision of the Society

Our Mission

Our mission is to improve the lives of individuals affected by cancer through comprehensive support, education, advocacy, and research. This entails providing emotional and practical assistance to patients and their families, promoting cancer prevention and early detection through educational initiatives, advocating for policies that enhance cancer care and access to treatment, and funding research to advance understanding and treatment of cancer.

The overarching goal is to reduce the burden of cancer, enhance quality of life for survivors, and strive towards a future where cancer is preventable, treatable, and ultimately cured.

Our Vision

Our vision is to create a world where cancer is eradicated through prevention, early detection, effective treatment, and compassionate care for all individuals affected by the disease. It envisions a society where every person has access to quality cancer education, support services, and equitable healthcare, regardless of their background or circumstances.

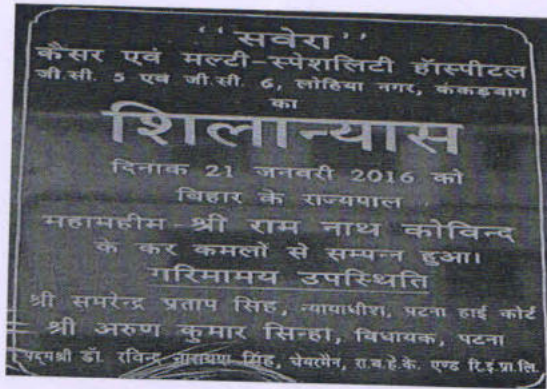

The society aims to foster a community where the stigma associated with cancer is eliminated, and where research and innovation continually advance the understanding and treatment of cancer, leading to improved outcomes and ultimately a cure. Through collaboration with healthcare providers, researchers, policymakers, and the community at large, we strive to empower individuals, reduce cancer incidence and mortality rates, and enhance the overall well-being of those impacted by cancer.

R S MEMORIAL CANCER SOCIETY MEMBERS DETAILS

Sr. No.	Name	Role	status

R S Memorial Cancer Society, Annual Report 2022-2023

Event 1: R S Memorial Cancer Society celebrated World Cancer Day with a commitment to raising awareness about early detection and prevention. The event featured informative sessions, free cancer screenings, and interactive discussions with oncologists. Survivors shared their inspiring journeys, encouraging others to prioritize regular check-ups. The society reaffirmed its dedication to the fight against cancer, emphasizing the importance of collective efforts in making a cancer-free future possible.

Event 2: R S Memorial Cancer Society is organizing a **Free Mega Health Check-up Camp** aimed at promoting early detection and preventive healthcare. The camp will offer **comprehensive medical check-ups, including cancer screening, general health consultations, and diagnostic tests**, conducted by expert doctors and healthcare professionals. This initiative is dedicated to ensuring accessible healthcare for all, especially for the underprivileged. Join us in this mission towards a **healthier and cancer-aware community!**

Kankarbagh, Patna-20

Event 3: R S Memorial Cancer Society is organizing a **Free Cancer Screening Camp** to promote early detection and awareness. The camp will offer screenings for **oral, breast, and cervical cancer**, ensuring timely diagnosis and guidance for further treatment. A special **Women's Band** will be performing to spread awareness, empowering communities with vital cancer prevention messages. Join us in this initiative to fight cancer through **early detection and education!**

R S Memorial Cancer Society, Annual Report 2022-2023

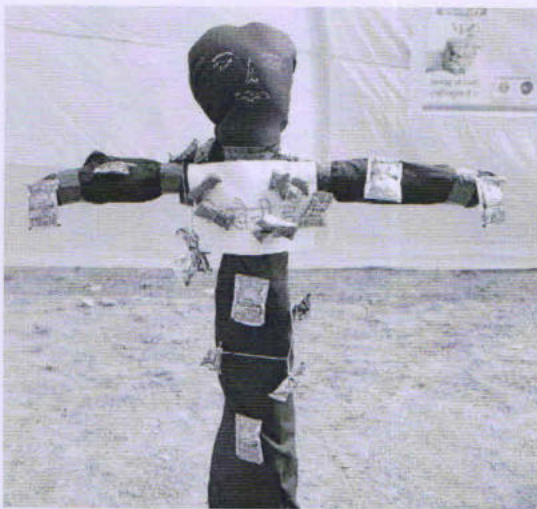

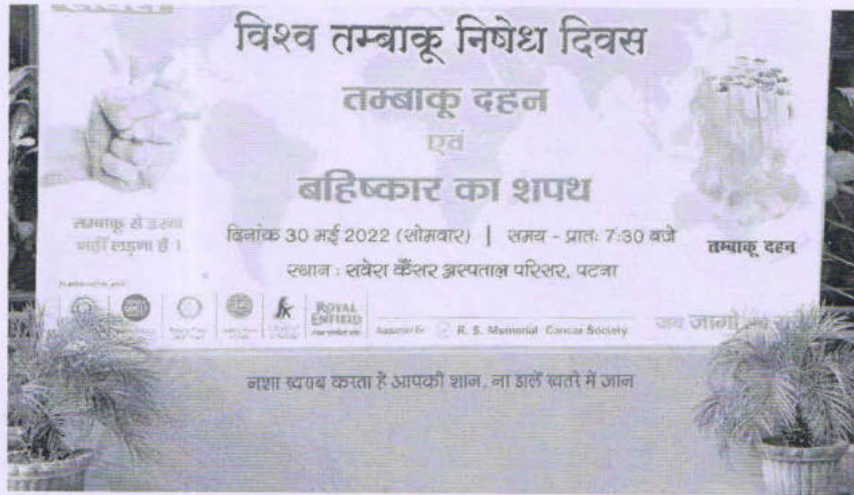

Event 4: R S Memorial Cancer Society celebrated Doctors' Day with great enthusiasm, honoring the dedicated doctors who tirelessly serve in the fight against cancer. A felicitation ceremony was organized to recognize their invaluable contributions to patient care and oncology advancements. To mark the occasion, a tree plantation drive was also conducted, symbolizing growth, health, and a commitment to a greener future. The event reinforced the society's mission of promoting both medical excellence and environmental responsibility.

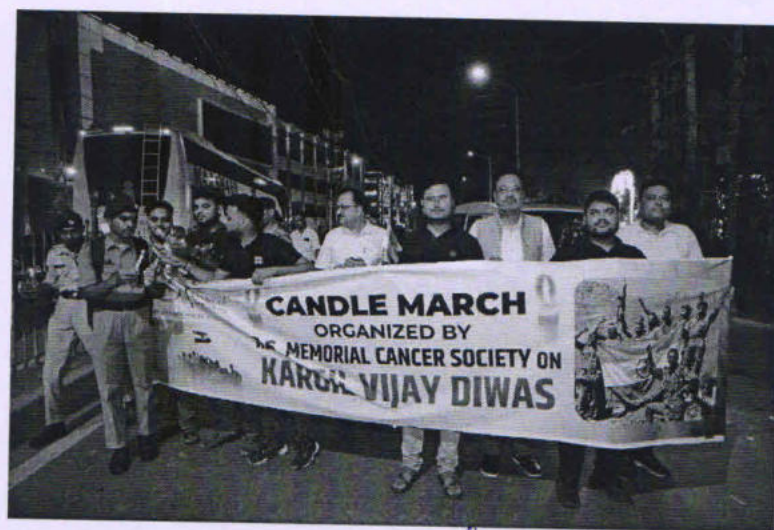

Event 5: R S Memorial Cancer Society organized a **Pink Walk** to raise awareness about **breast cancer**, emphasizing the importance of early detection and regular screenings. Participants, dressed in pink, walked together to show solidarity with breast cancer fighters and survivors. The walk aimed to educate the community about preventive measures and the significance of self-examinations. This initiative reinforced the commitment to spreading awareness and supporting those affected by the disease.

Event 6: R S Memorial Cancer Society actively observes **No Tobacco Day** to raise awareness about the harmful effects of tobacco consumption and its strong link to cancer. Through educational programs, awareness campaigns, and community outreach, the society emphasizes the importance of quitting tobacco for a healthier life. Free counselling sessions, health check-ups, and interactive discussions are conducted to encourage individuals to adopt a tobacco-free lifestyle. The initiative aims to empower people with knowledge and resources to prevent tobacco-related diseases and promote overall well-being.

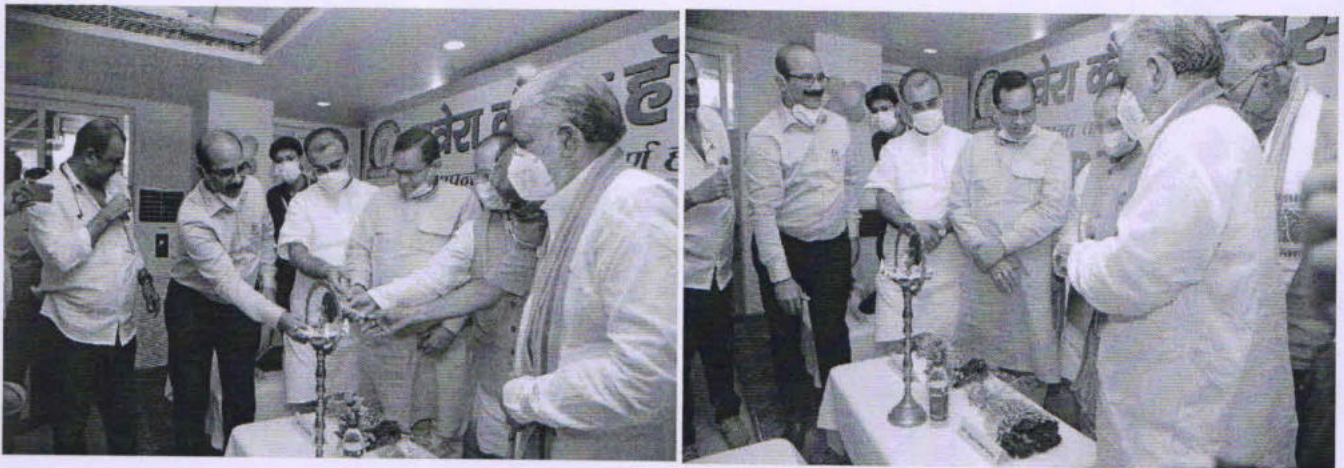

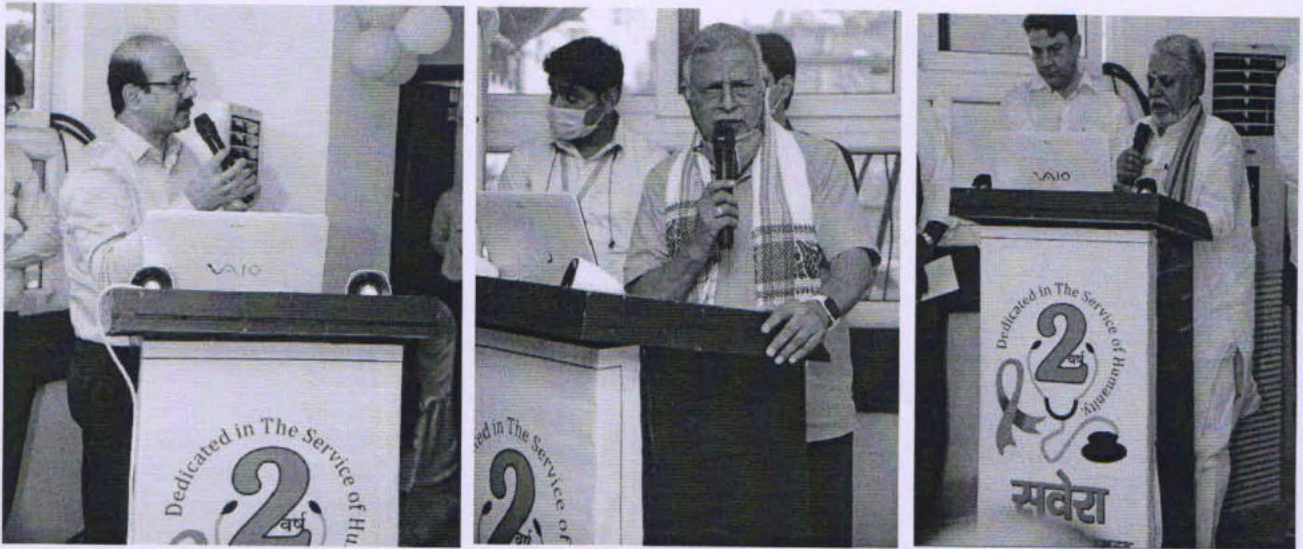

Event 7: R S Memorial Cancer Society commemorated Kargil Vijay Diwas with a heartfelt candle march, honoring the bravery and sacrifices of our soldiers. Members and supporters gathered to pay tribute, illuminating the evening with candles as a symbol of gratitude and remembrance. The event reflected deep patriotism, reinforcing the spirit of unity and respect for our armed forces.

Event 8: R S Memorial Cancer Society actively conducts **CPR training and first aid training** to equip individuals with life-saving skills in emergency situations. These training sessions are designed for **healthcare professionals, caregivers, and the general public**, ensuring they can respond effectively to medical emergencies. The society's expert trainers provide **hands-on demonstrations and practical knowledge** on CPR techniques, wound care, and basic life support. Through these initiatives, R S Memorial Cancer Society aims to **enhance community health awareness and emergency preparedness**.

Event 9: R S Memorial Cancer Society actively conducts cancer awareness sessions to educate communities about early detection, prevention, and treatment options. These sessions aim to dispel myths, promote healthy lifestyles, and encourage regular screenings for early diagnosis. Experts, including oncologists and healthcare professionals, provide valuable insights and guidance during these interactive programs. Through its efforts, the society is committed to reducing the cancer burden and empowering individuals with the knowledge to fight the disease.

Event 10: R S Memorial Cancer Society actively conducts awareness sessions on sex education and menstrual hygiene as part of its community outreach initiatives. These sessions aim to educate adolescents and women about reproductive health, breaking taboos and addressing misconceptions. Experts provide scientifically accurate information on safe practices, hygiene management, and the importance of early detection of health issues. By fostering open discussions, the society empowers individuals to make informed decisions about their health and well-being.

R S Memorial Cancer Society is a dedicated organization committed to the noble cause of cancer prevention, awareness, and early detection, striving to create a healthier world. With a strong vision to reduce the burden of cancer, the society undertakes a wide range of activities to educate communities, promote preventive measures, and ensure timely diagnosis for better treatment outcomes. One of the key initiatives of R S Memorial Cancer Society is organizing large-scale cancer awareness programs. These campaigns aim to educate people about the risk factors, symptoms, and preventive measures for various types of cancer, including breast, cervical, oral, and lung cancer. Through community outreach programs, interactive sessions, and expert talks, the society spreads vital information to the masses, empowering them with knowledge to make informed health choices.

To ensure early detection, the society conducts free and subsidized cancer screening camps in urban and rural areas, particularly targeting underprivileged communities with limited access to healthcare. These camps provide screenings for oral, breast, and cervical cancer using advanced diagnostic techniques such as VIA (Visual Inspection with Acetic Acid), mammography, and oral examinations by expert oncologists. The camps also facilitate referrals for suspected cases, ensuring timely follow-up and treatment. The organization also plays a crucial role in tobacco control initiatives, as tobacco consumption is one of the leading causes of preventable cancers. Through de-addiction counseling sessions, awareness drives, and educational programs in schools and workplaces, the society encourages individuals to quit tobacco and adopt healthier lifestyles.

To support cancer patients and their families, the society offers guidance on treatment options, financial assistance programs, and emotional counseling. Cancer survivors are celebrated and encouraged to share their experiences, inspiring others to stay strong in their fight against the disease. Through research collaborations and partnerships with hospitals, medical institutions, and NGOs, R S Memorial Cancer Society continuously works to improve early detection methodologies and expand the reach of cancer prevention programs.

With a steadfast commitment to making cancer care accessible and prevention a priority, R S Memorial Cancer Society remains at the forefront of the battle against cancer, creating a healthier and more informed society.

Together we can Make a Healthier Tomorrow
