LET'S CURE CANCER TOGETHER

ANNUAL REPORT 2021-2022
OF
R S MEMORIAL CANCER SOCIETY
(RSMCS)

About the Society

R S Memorial Cancer Society abbreviated as RSMCS was founded in memory of **Late Shri Ram Shankar Singh**, hailing from village Dhanhara, District Aurangabad, Bihar. Shri Ram Shankar Singh envisioned the establishment of a Comprehensive Cancer Hospital named SAVERA. The foundation stone of Savera Cancer and Multispeciality Hospital was laid in his esteemed presence on 21.01.2016 by the then Governor of Bihar, Hon'ble Shri Ramnath Kovind.

Primarily known for his business and construction endeavors, Shri Ram Shankar Singh was deeply moved by the plight of cancer patients, inspiring his son Dr. Vijay Pratap Singh to realize his aspirations. Despite his untimely departure, SAVERA perseveres against all odds. Currently, his wife Mrs. Asha Devi leads the Society as President, supported by other key members.

Inauguration of R S Memorial Cancer Society by the Hon'ble President of the Society Shrimati Asha Singh in presence of distinguished members.

Mission and Vision of the Society

Our Mission

Our mission is to improve the lives of individuals affected by cancer through comprehensive support, education, advocacy, and research. This entails providing emotional and practical assistance to patients and their families, promoting cancer prevention and early detection through educational initiatives, advocating for policies that enhance cancer care and access to treatment, and funding research to advance understanding and treatment of cancer.

The overarching goal is to reduce the burden of cancer, enhance quality of life for survivors, and strive towards a future where cancer is preventable, treatable, and ultimately cured.

Our Vision

Our vision is to create a world where cancer is eradicated through prevention, early detection, effective treatment, and compassionate care for all individuals affected by the disease. It envisions a society where every person has access to quality cancer education, support services, and equitable healthcare, regardless of their background or circumstances.

The society aims to foster a community where the stigma associated with cancer is eliminated, and where research and innovation continually advance the understanding and treatment of cancer, leading to improved outcomes and ultimately a cure. Through collaboration with healthcare providers, researchers, policymakers, and the community at large, we strive to empower individuals, reduce cancer incidence and mortality rates, and enhance the overall well-being of those impacted by cancer.

R S MEMORIAL CANCER SOCIETY MEMBERS DETAILS

6	Shri Akhilesh Kumar	Executive Members	Associated
7	Shri S.P. Singh	Executive Members	Associated
8	Er. M.P. Singh	Executive Members	Associated
9	Dr. Ravi Kumar	Executive Members	Associated
10	Smt. Amrita Singh	Executive Members	Associated
11	Smt. Rajyalaxmi Singh	Executive Members	Associated
12	Er. Aditya R. Gehlot	Executive Members	Associated
13	Miss Vridhi Singh	Executive Members	Associated

R.S. MEMORIAL CANCER SOCIETY
Kankarbagh, Patna-20

On 4th August 2019 the Hon'ble Vice President of India Shri M. Venkaiah Naidu Jee lightened an inaugural lamp in the hospital premises in the gracious presence of Chief Minister of Bihar (Shri Nitish Kumar Ji), Shri Sushil Kumar Modi Ji and the Managing Director (Dr. V.P. Singh) of the Institute.

Event 1: R S Memorial Cancer Society, a dedicated organization committed to cancer prevention, early detection, and patient care, celebrated National Doctors' Day with great enthusiasm and gratitude. Recognizing the invaluable contribution of doctors in saving lives and improving healthcare, the society organized a special event to honor their dedication, resilience, and relentless efforts in the fight against cancer.

The celebration was held at **Savera Cancer Hospital**, where distinguished oncologists, surgeons, and medical professionals gathered to commemorate this special occasion. The event began with a heartfelt felicitation ceremony, where senior doctors and healthcare workers were honored with **certificates of appreciation and mementos** as a token of respect for their unwavering commitment to patient care.

Kankarbagh, Patna-20

A key highlight of the Doctors' Day celebration was an **inspiring panel discussion** on the importance of early cancer detection and advancements in oncology. Esteemed oncologists shared their insights on breakthroughs in cancer treatment and the significance of public awareness in reducing the disease burden. The session emphasized the need for continuous research, innovation, and collaboration among healthcare professionals to combat cancer effectively.

To mark the occasion with a meaningful social impact, **R S Memorial Cancer Society** also **organized a blood donation drive** in association with Savera Cancer Hospital's blood bank. The initiative aimed to address the critical need for blood, especially for cancer patients undergoing chemotherapy and surgery. The drive witnessed an overwhelming response from **doctors, medical staff, hospital employees, and volunteers**, all stepping forward to donate blood and contribute to this noble cause.

The blood donation camp was meticulously planned, with **adequate safety protocols and medical supervision** to ensure donor well-being. Each donor underwent a pre-screening checkup, including hemoglobin level testing and blood pressure monitoring. The collected blood units were safely stored and would later be utilized for patients in need, including those battling cancer, trauma cases, and surgical emergencies.

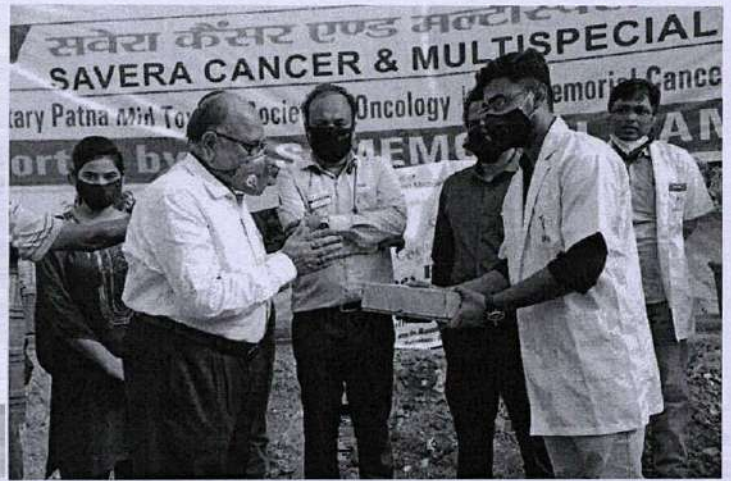

Adding to the spirit of the celebration, **cancer survivors and their families** were also invited to share their experiences and express their gratitude to the doctors who played a crucial role in their recovery journey. Their heartfelt testimonials served as a reminder of the profound impact that dedicated healthcare professionals make in the lives of patients.

The event concluded with a **vote of thanks** from the management of R S Memorial Cancer Society, expressing deep appreciation for the doctors, donors, and volunteers who made the event a grand success. It was a day filled with gratitude, service, and commitment to making a difference in the lives of cancer patients and the community at large.

Through this celebration and blood donation drive, R S Memorial Cancer Society reaffirmed its mission of **serving humanity, supporting cancer patients, and strengthening healthcare efforts** with compassion and dedication.

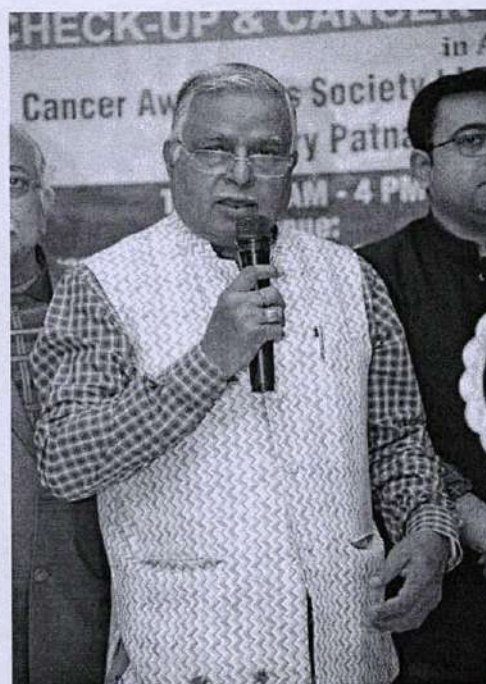

R S Memorial Cancer Society also took a significant step toward environmental sustainability by organizing a tree plantation drive as part of the Doctors' Day celebrations. Recognizing the deep connection between a healthy environment and overall well-being, doctors, hospital staff, and volunteers planted medicinal and oxygen-enriching trees within the hospital premises and surrounding areas. The initiative aimed to promote a greener, healthier future while emphasizing the role of nature in disease prevention and healing. Each tree symbolized hope, resilience, and the commitment of the medical community to not only save lives but also nurture the planet for generations to come.

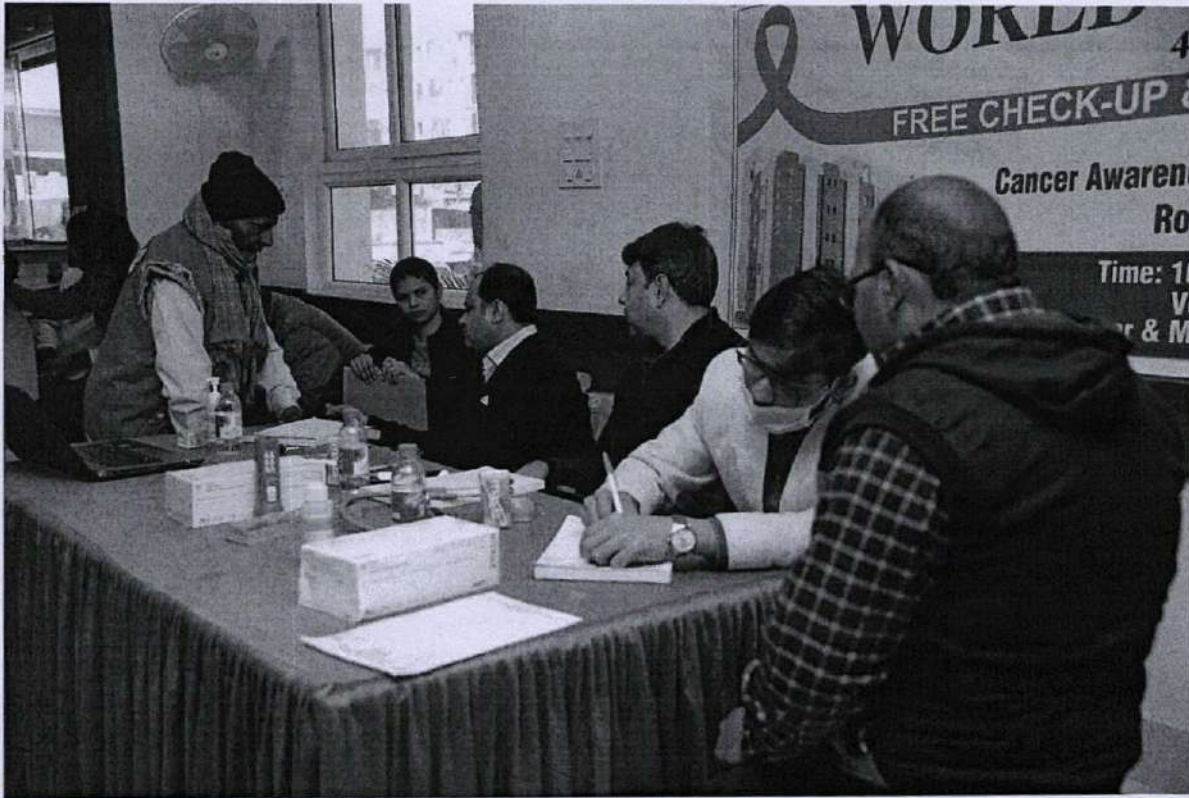

Event 2: On the occasion of **World Cancer Day**, R S Memorial Cancer Society reaffirmed its commitment to the global fight against cancer by organizing an impactful event focused on **awareness, early detection, and patient support**. The event, held at **Savera Cancer Hospital, Patna**, witnessed an overwhelming response from doctors, cancer survivors, volunteers, and community members who came together to spread awareness about cancer prevention and treatment.

R. S. MEMORIAL CANCER SOCIETY
KENTRIDGE, FOLDS 20

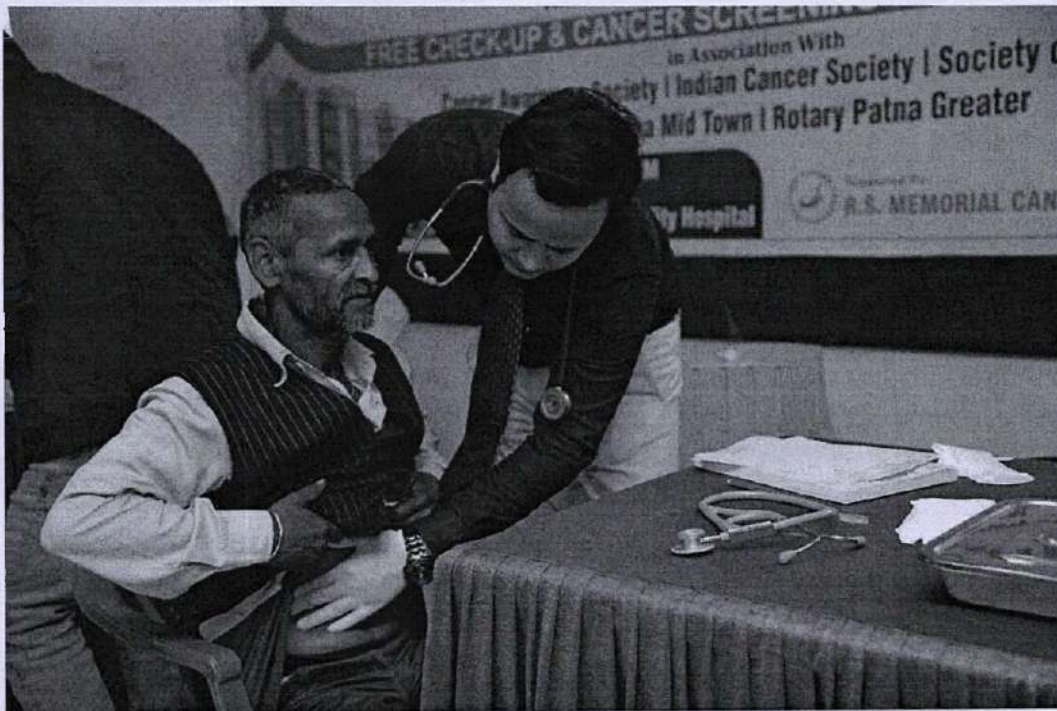

The program commenced with an **inaugural address** by **Dr. V. P. Singh, Managing Director of Savera Cancer Hospital**, who emphasized the importance of **early detection** and the role of awareness in reducing cancer-related mortality. This was followed by an insightful session by **oncologists and healthcare professionals**, who discussed the latest advancements in cancer treatment and the significance of lifestyle modifications in cancer prevention.

A major highlight of the event was the **cancer screening camp**, where individuals were offered **free screenings for oral, breast, and cervical cancer**. The medical team, comprising **oncologists, radiologists, and nursing staff**, conducted thorough check-ups and provided consultations to those at risk. Special focus was given to educating women about **self-breast examinations** and the importance of **HPV vaccination for cervical cancer prevention**.

In a heartfelt segment, **cancer survivors shared their inspiring stories**, showcasing their journeys of resilience and strength. Their testimonies not only provided hope but also encouraged others to undergo regular screenings and seek timely medical intervention.

To reach a larger audience, R S Memorial Cancer Society launched a **cancer awareness rally**, where volunteers, medical professionals, and students participated with placards, banners, and slogans promoting "**Close the Care Gap**", the theme of this year's World Cancer Day. The rally moved through key areas of Patna, distributing informative pamphlets on cancer prevention, symptoms, and treatment options.

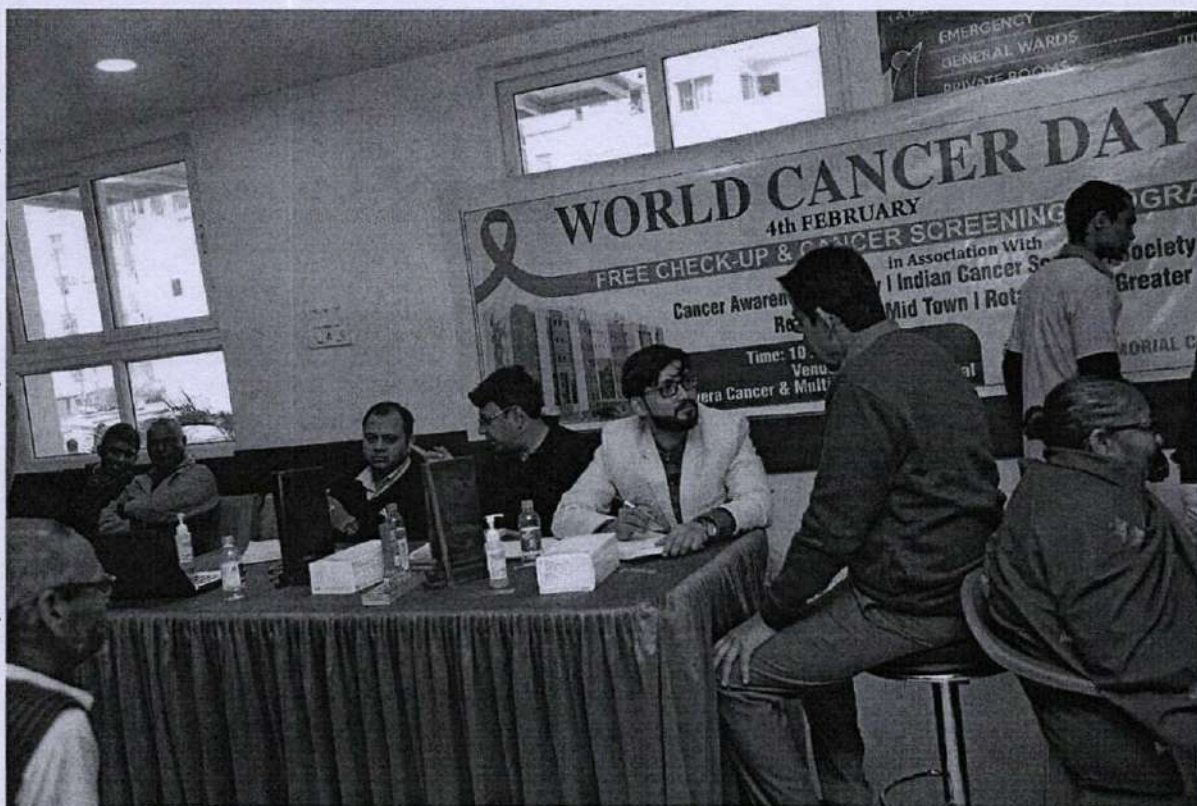

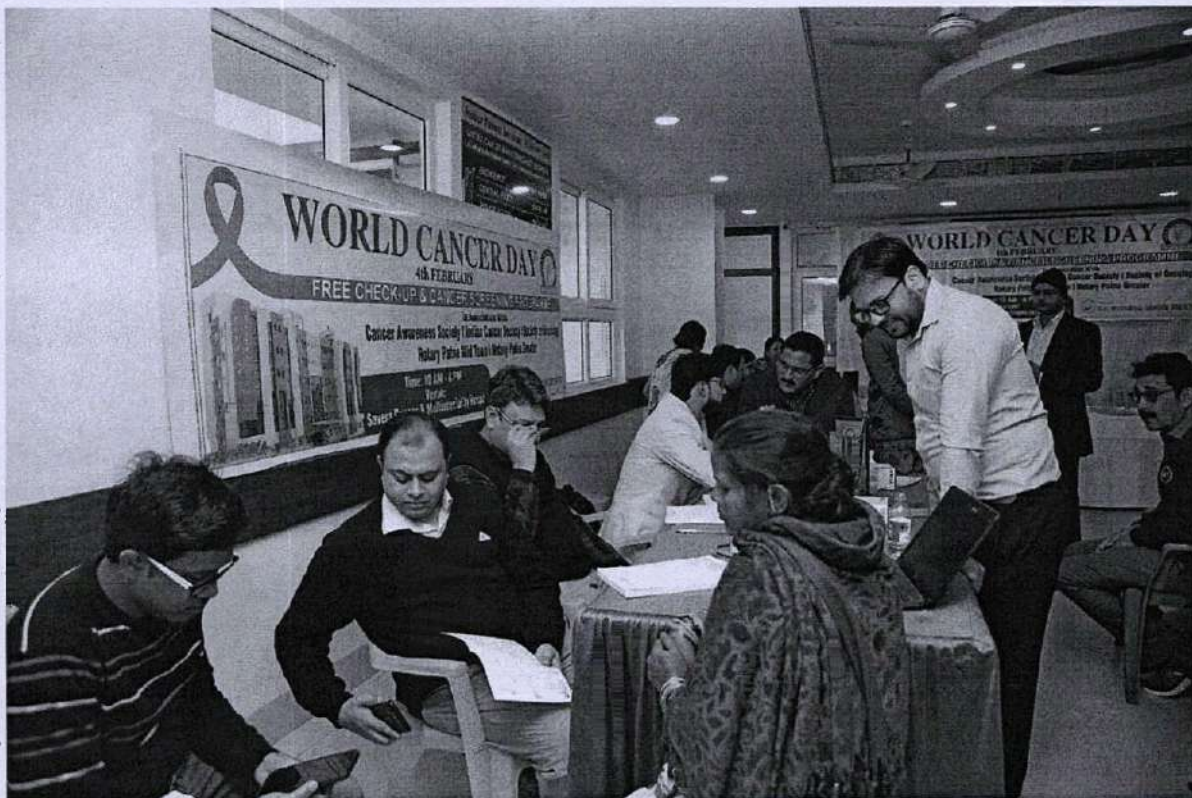

In collaboration with **Rotary Patna Midtown and other local organizations**, the society also organized an **educational seminar** for community health workers and ASHA workers, equipping them with knowledge and tools to **identify early signs of cancer** and refer patients for timely medical care.

A special tribute was paid to **cancer caregivers**, recognizing their relentless efforts in supporting patients throughout their treatment journeys. Their selfless contributions were acknowledged with appreciation certificates and words of encouragement.

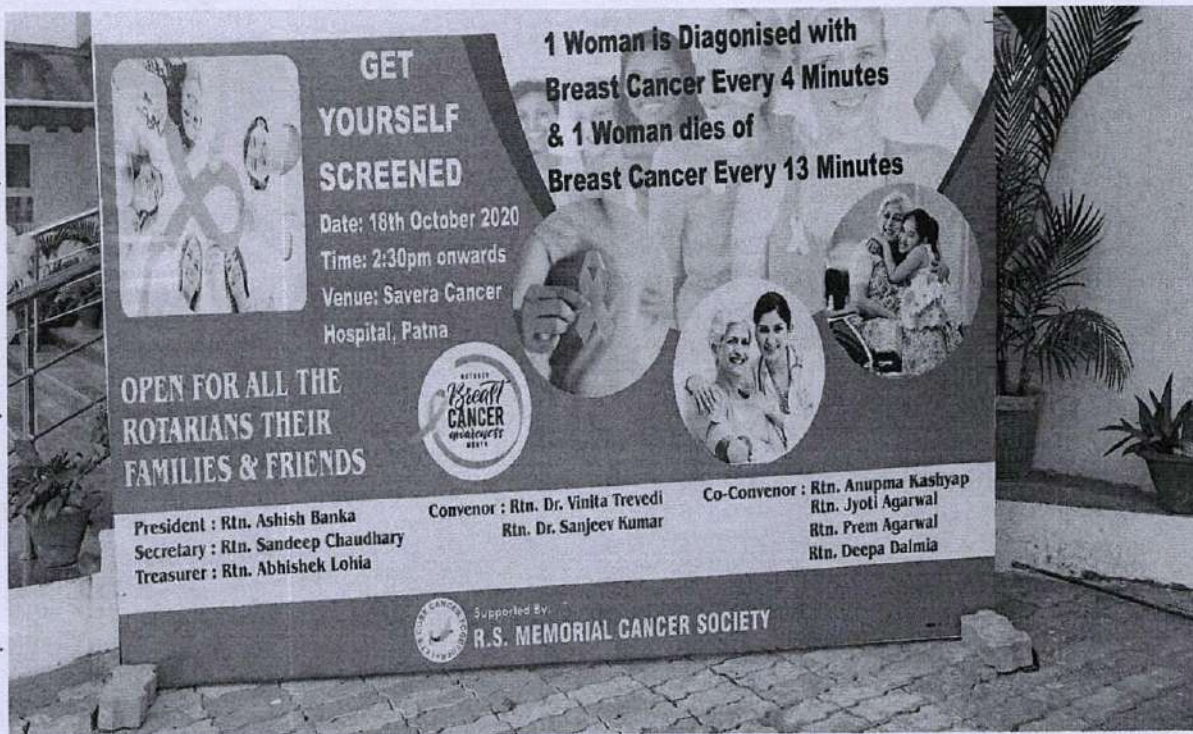

The event concluded with a **pledge ceremony**, where attendees vowed to **spread cancer awareness, encourage regular screenings, and support patients in their fight against cancer**. The commitment of R S Memorial Cancer Society to **making cancer care accessible and affordable** was reiterated, with plans for **more free screening camps and community outreach programs** in the coming months.

Through this meaningful celebration of **World Cancer Day**, R S Memorial Cancer Society successfully reinforced the message that **cancer is preventable, treatable, and beatable with early detection, timely intervention, and collective action**.

Event 3: R S Memorial Cancer Society Celebrates Pink Day to Raise Awareness on Breast Cancer

In a heartfelt effort to spread awareness and support the fight against breast cancer, **R S Memorial Cancer Society** celebrated **Pink Day** with great enthusiasm and dedication. This special event, marked by a sea of pink, aimed to educate, inspire, and empower individuals to take proactive steps in early detection and prevention of breast cancer.

The event was held at [mention venue if applicable], where survivors, healthcare professionals, volunteers, and supporters gathered to show solidarity with those affected by the disease. The atmosphere was vibrant yet emotional, as participants adorned pink ribbons, clothing, and accessories—symbolizing hope, strength, and unity in the battle against breast cancer.

The celebration featured **interactive awareness sessions**, where expert oncologists and medical professionals shared crucial insights on the importance of early detection, self-examinations, and regular screenings. Doctors emphasized the significance of **mammograms and clinical check-ups** in reducing breast cancer mortality rates.

Breast cancer survivors took center stage, courageously sharing their journeys of resilience and recovery. Their inspiring stories not only highlighted the **importance of timely medical intervention** but also instilled hope among those currently undergoing treatment. Many of them emphasized the role of **family support, mental strength, and a positive outlook** in their healing process.

The event also included a **walkathon**, where participants marched through the area holding banners and placards with powerful messages advocating early screening and lifestyle modifications. The **symbolic pink balloons** released into the sky represented the collective hope for a future free from breast cancer.

To engage the community, the R S Memorial Cancer Society organized **free breast cancer screening camps**, ensuring that women from all walks of life had access to essential health check-ups. Trained medical teams performed screenings and provided counseling to those at risk, reinforcing the society's commitment to making healthcare accessible to all.

Adding a cultural touch to the event, a **pink-themed rangoli competition** and a **poster-making contest** were organized, where students and young artists creatively expressed messages of awareness and empowerment. The winners were felicitated with certificates and trophies, encouraging them to continue advocating for cancer awareness.

A highlight of the event was the **"Wall of Hope"**, where attendees wrote messages of encouragement, strength, and solidarity for patients currently fighting breast cancer. This emotional initiative served as a reminder that no one fights alone in this battle.

The celebration concluded with a **pledge-taking ceremony**, where all attendees vowed to spread awareness, support regular screenings, and advocate for a healthier lifestyle to combat breast cancer.

R S Memorial Cancer Society's Pink Day was not just an event but a movement—one that reaffirmed the power of awareness, early detection, and community support in conquering breast cancer. Through this initiative, the society continues to work towards a future where breast cancer is detected early, treated effectively, and ultimately defeated.
